

## Financial Assistance appointment with KKH - Department of Child Development, Medical Social Worker

Purpose of Financial Assistance appointment with MSW:

- Assist patient(s) who face financial difficulties with their medical bills.
- Explore MediFund and/or external resources for patient's subsidised medical treatment.

**Note:** Only Singapore Citizens are eligible to apply for MediFund assistance (Click [here](#) for eligibility criteria). For Permanent Residents, other assistance or community support will be explored.

To help us process the financial assistance application faster, please bring the following documents:
