

Dr Loy See Ling

Assistant Professor

Obstetrics & Gynaecology Academic Clinical Program, DUKE-NUS Medical School;

Department of Reproductive Medicine

KK Women's and Children's Hospital

Dr Loy See Ling is an Assistant Professor with Duke-NUS Medical School and a Senior Research Fellow in KKH. She attained her PhD in Human Nutrition in year 2014 and with special interest in life course epidemiology and nutritional epidemiology. She has received multiple international awards, fellowships and travel grants. Till date, she has published more than 50 journals and is the journal reviewer for many international journals. She has been awarded the NMRC Young Individual Research Grant in 2018, aiming to investigating the effect of maternal chrononutrition on pregnancy outcomes. She is actively involved in various research studies (locally or internationally), particularly cohort studies related to mother-offspring nutrition.
