

IF YOUR CHILD IS HOSPITALISED...

During your child's hospitalisation, only ONE designated caregiver will be allowed at all times. For patients who are admitted to isolation ward, no visitors will be allowed and the designated caregiver must stay in the room with the patient throughout the isolation period.

Items to Pack

Below are the list of items you may want to pack and bring along for your child's hospitalisation:

- Comfort items e.g. pillow, soft toy
- Favourite snack/food
- Milk powder if you have a preferred brand for your child
- Milk bottles if you have a preferred brand for your child
- Drinking bottle
- Diapers if you have a preferred brand for your child
- Activity sheets/ toys
- Extra clothes

For designated caregiver, you may wish to pack along:

- Extra clothes
- Toiletries (e.g. Toothbrush, toothpaste, shampoo)
- Electronics and chargers (e.g. tablet/laptop)
- Reading materials or activities that provide some relaxation
- Food/snacks for yourself
- Any medication that you may require

For patients admitted to isolation room only

Family/friends may drop off the items for the patient and designated caregiver with our staff at Visitor Registration Lobby located at both the Women's and Children's Tower, Level 1 at the following timings daily:

- 1.00pm
- 3.00pm
- 7.00pm
