

# WAGGA

is Vaccinated!

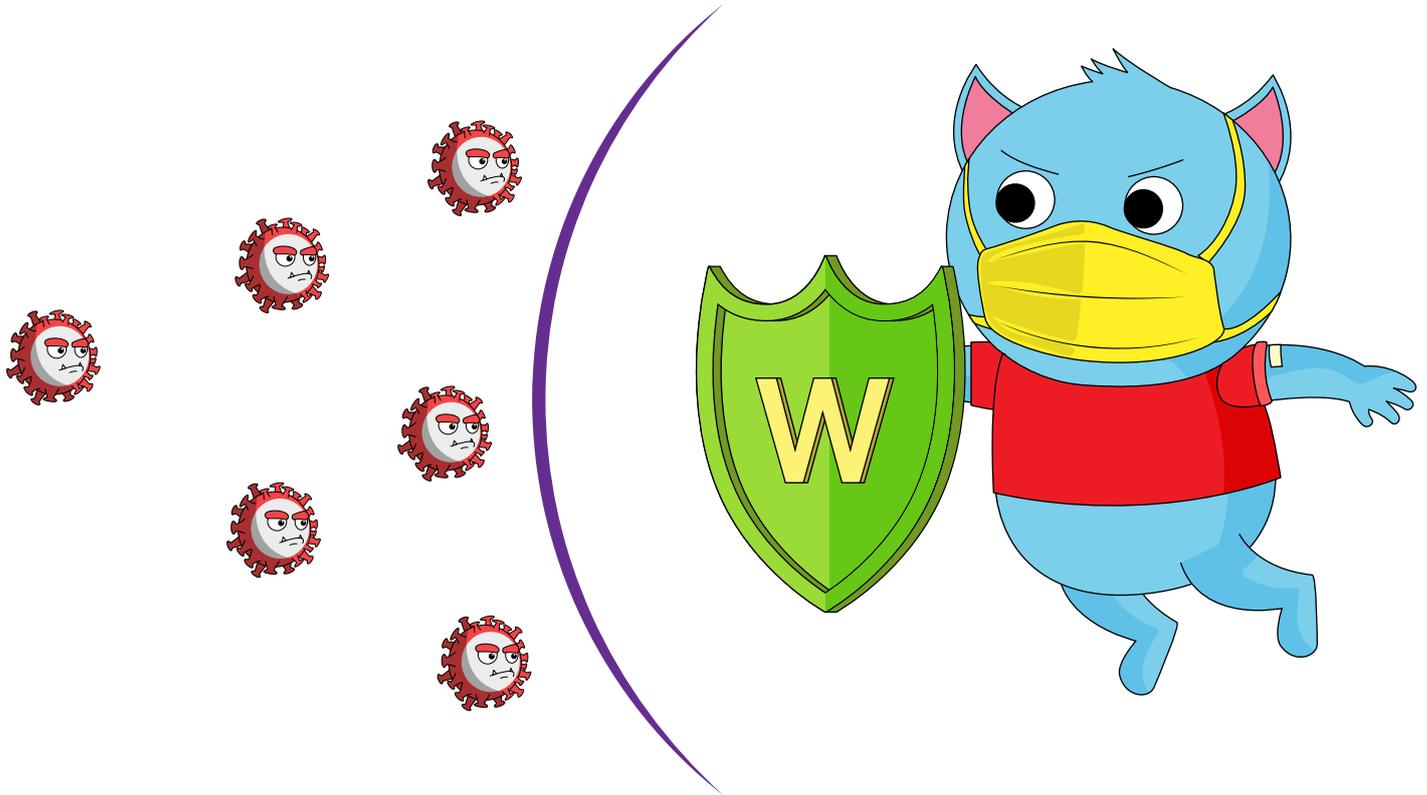

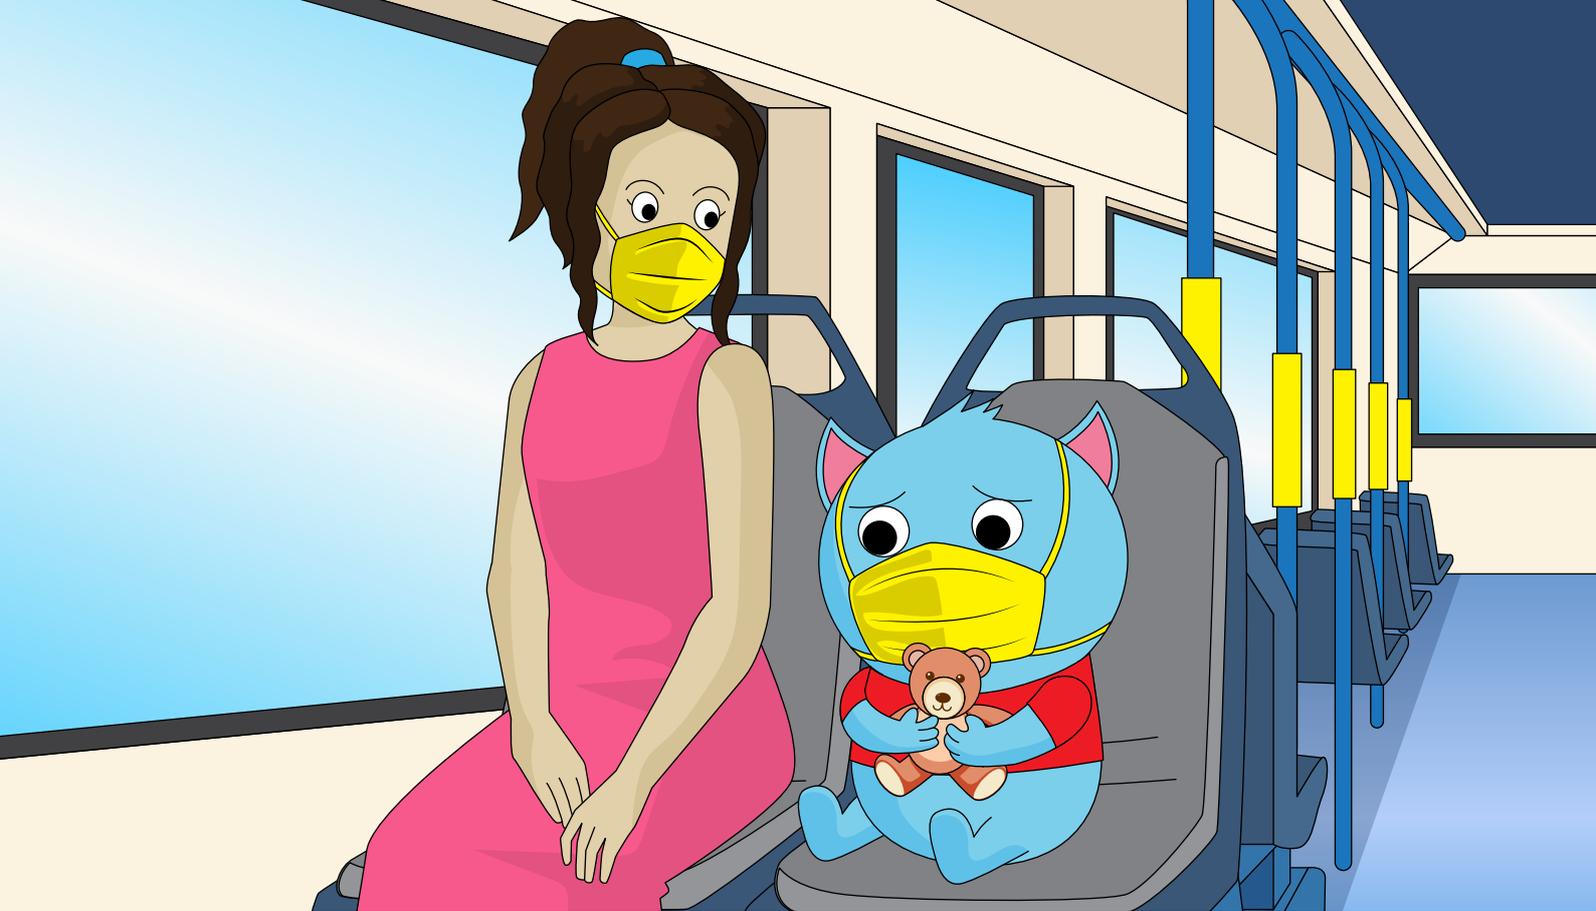

Hi, I am Wagga.  
I am going for my COVID-19 vaccination today.

Most adults have taken their COVID-19 vaccination.  
Now it is my turn!

I will take my vaccination so that I do not get very sick from COVID-19.

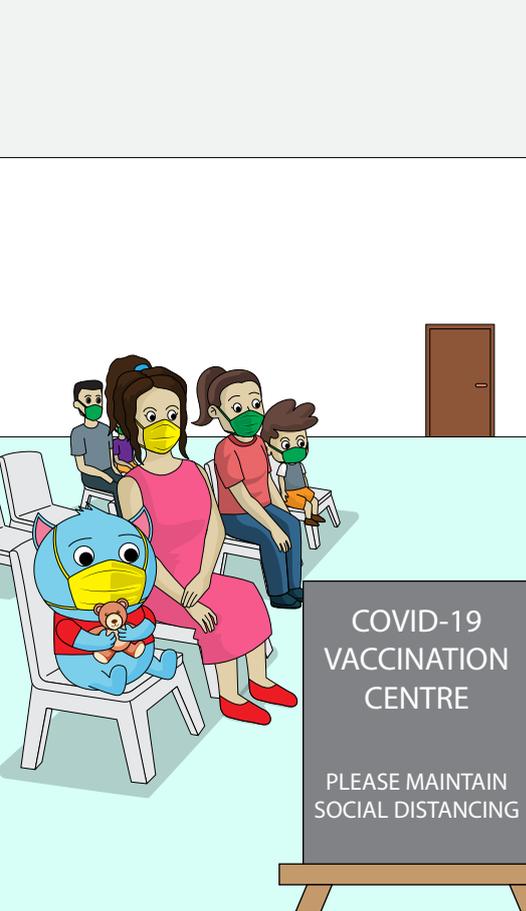

On the way to the vaccination centre, I start to feel a little nervous.

Mummy will be  
with you.

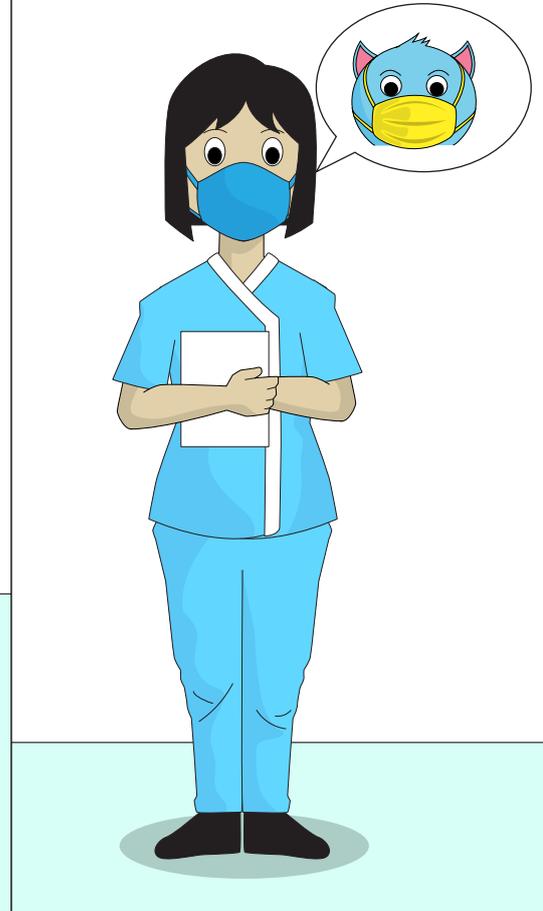

My mummy gives me a hug.  
I feel better.

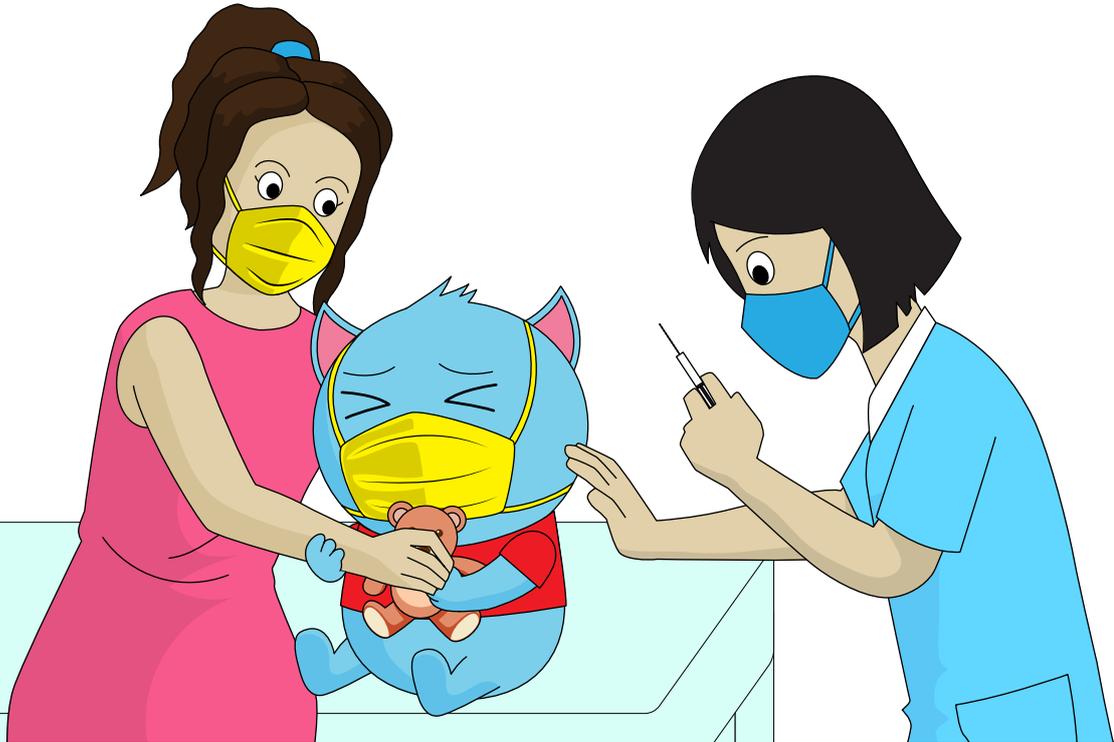

At the centre,  
I wait for my turn.

They check my weight.

A nurse calls me for  
my vaccination.

I feel a little scared.  
I close my eyes and hold my mummy's hand.

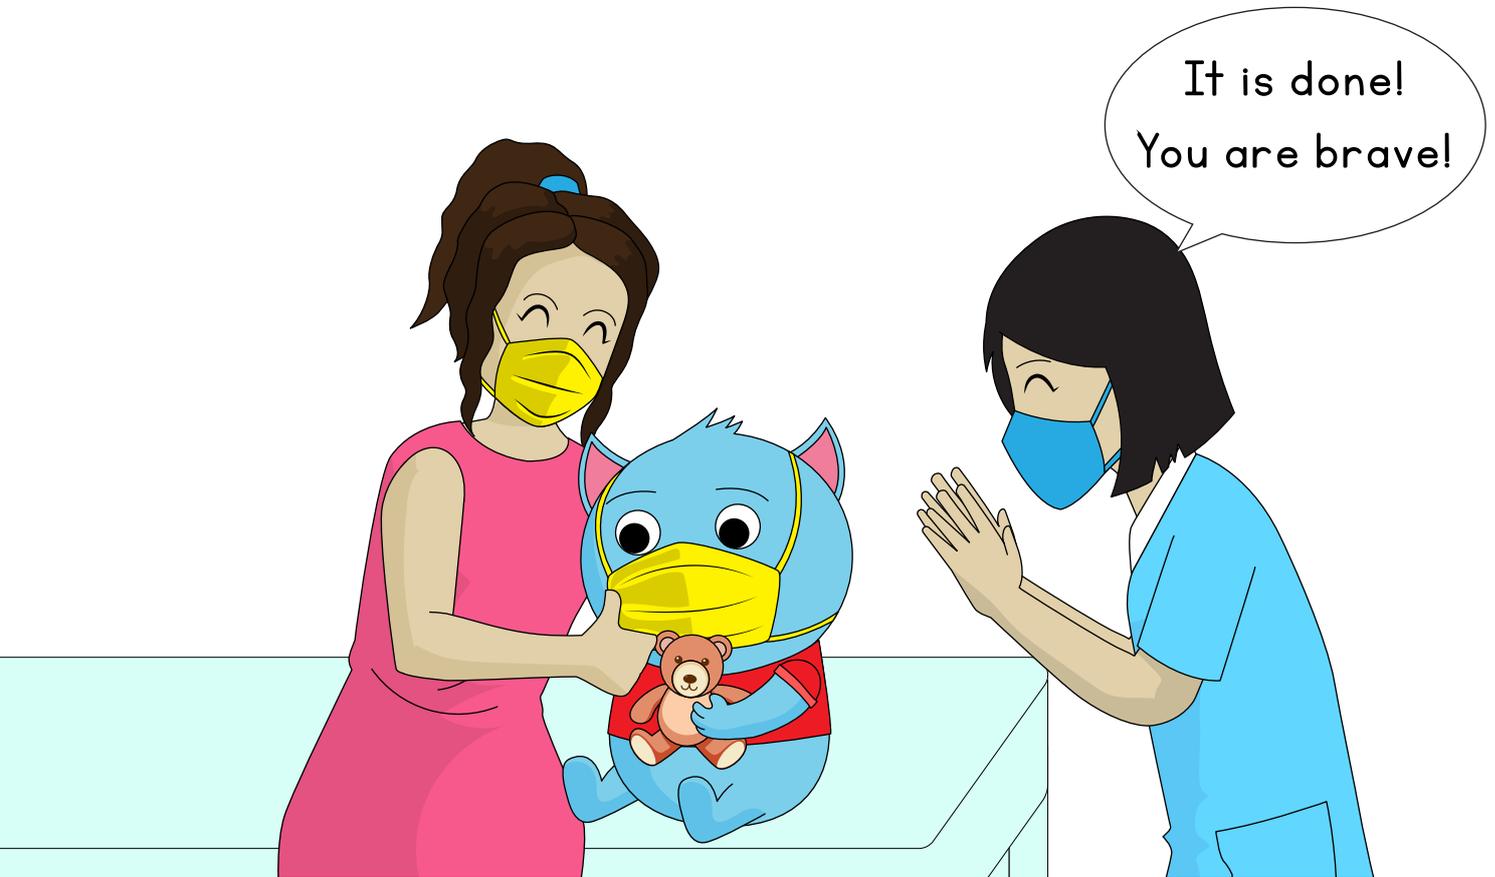

I roll up my sleeve.

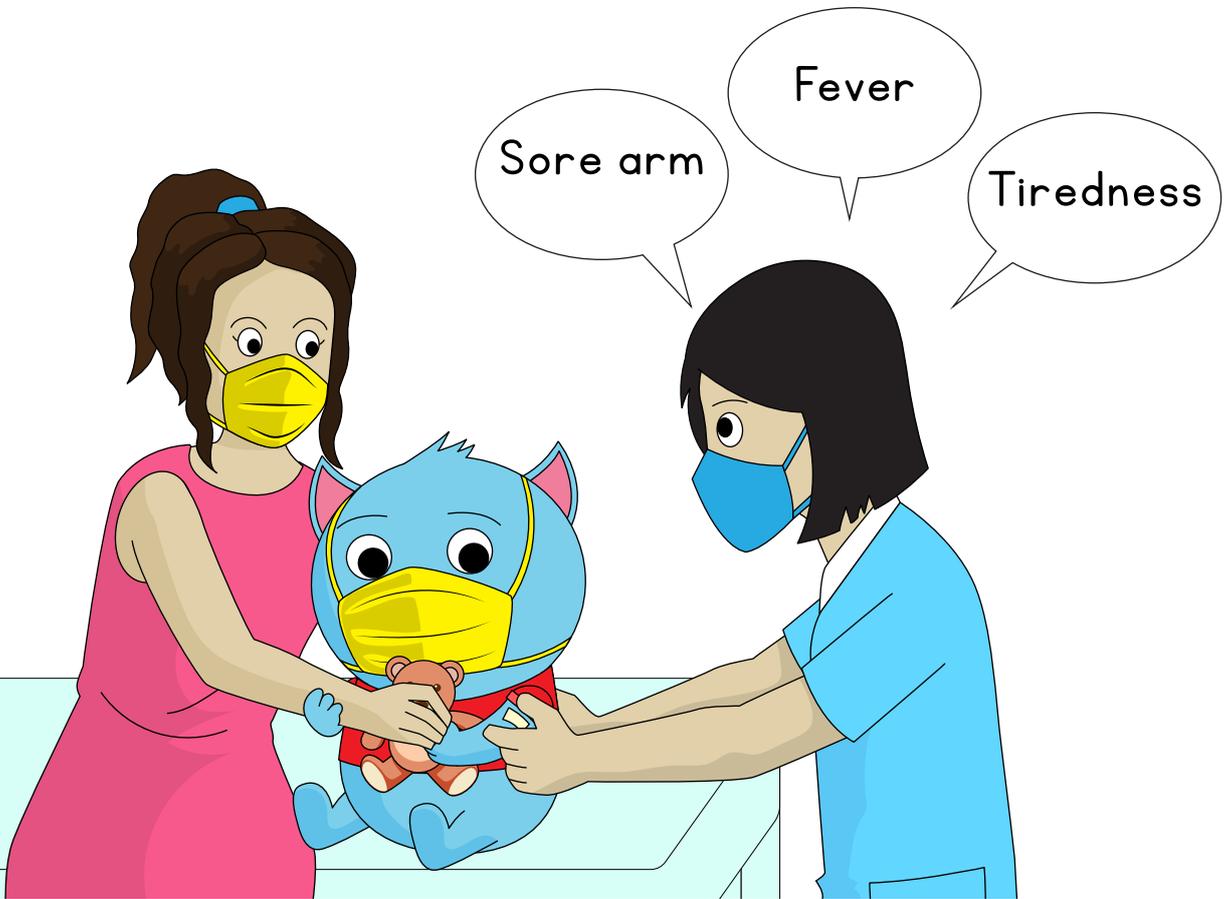

The nurse wipes my  
arm.

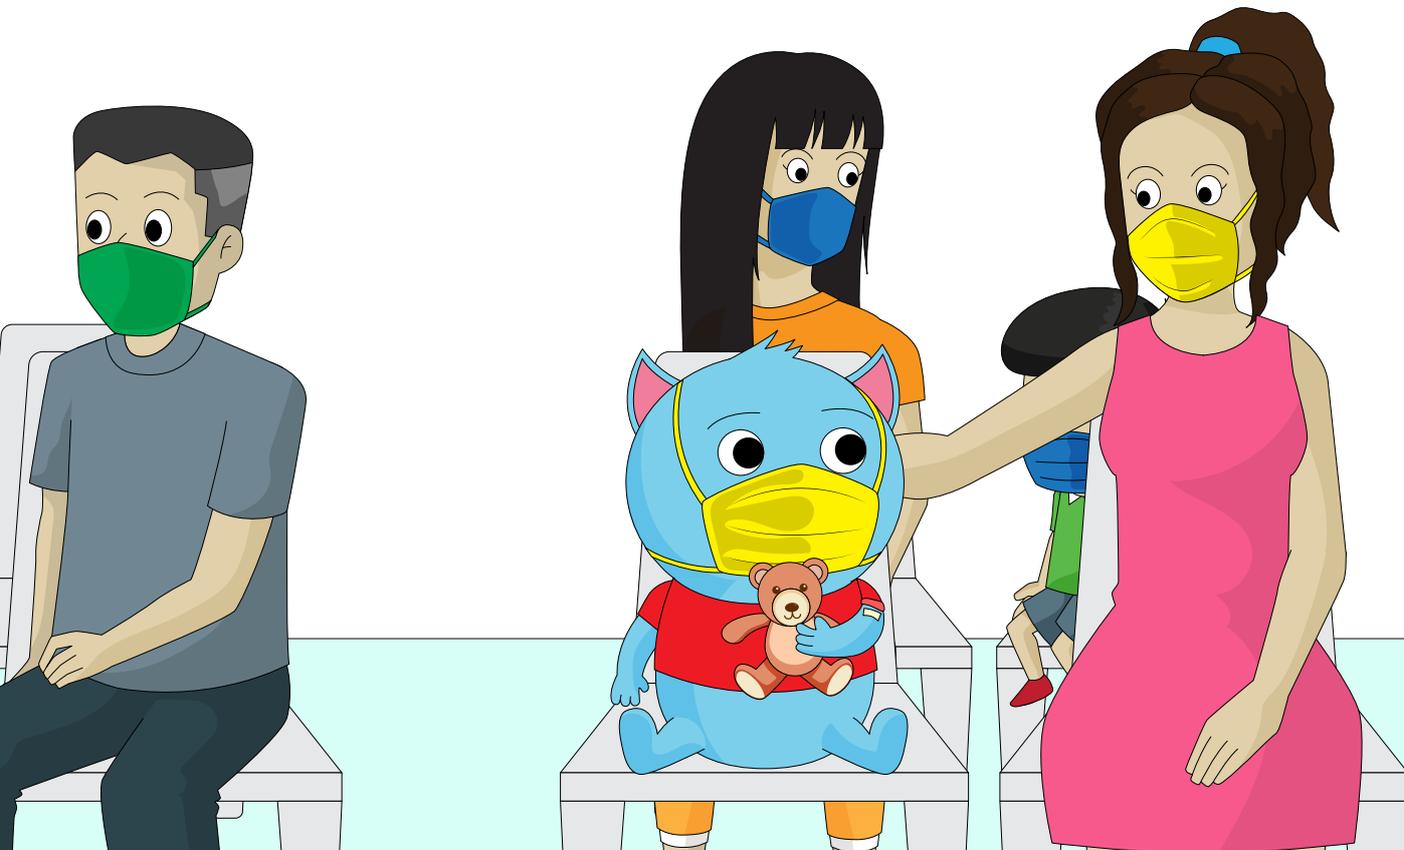

The nurse injects  
my arm.

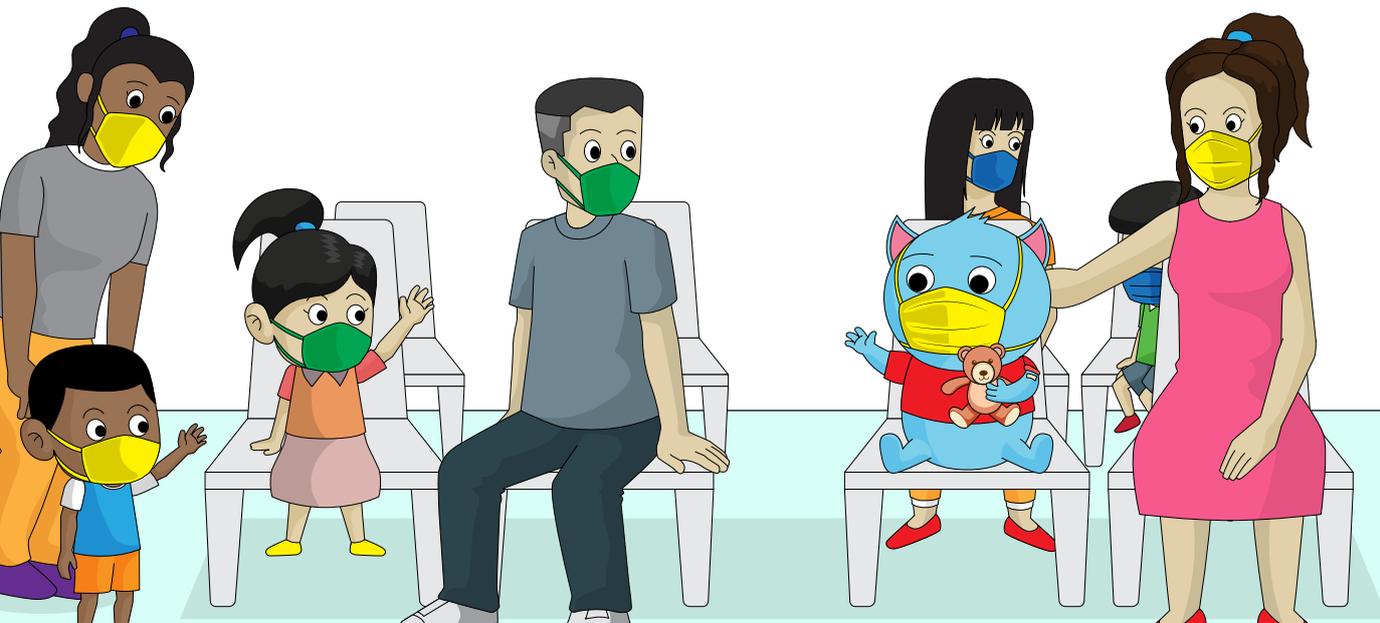

I feel a small pinch, but it goes away quickly!

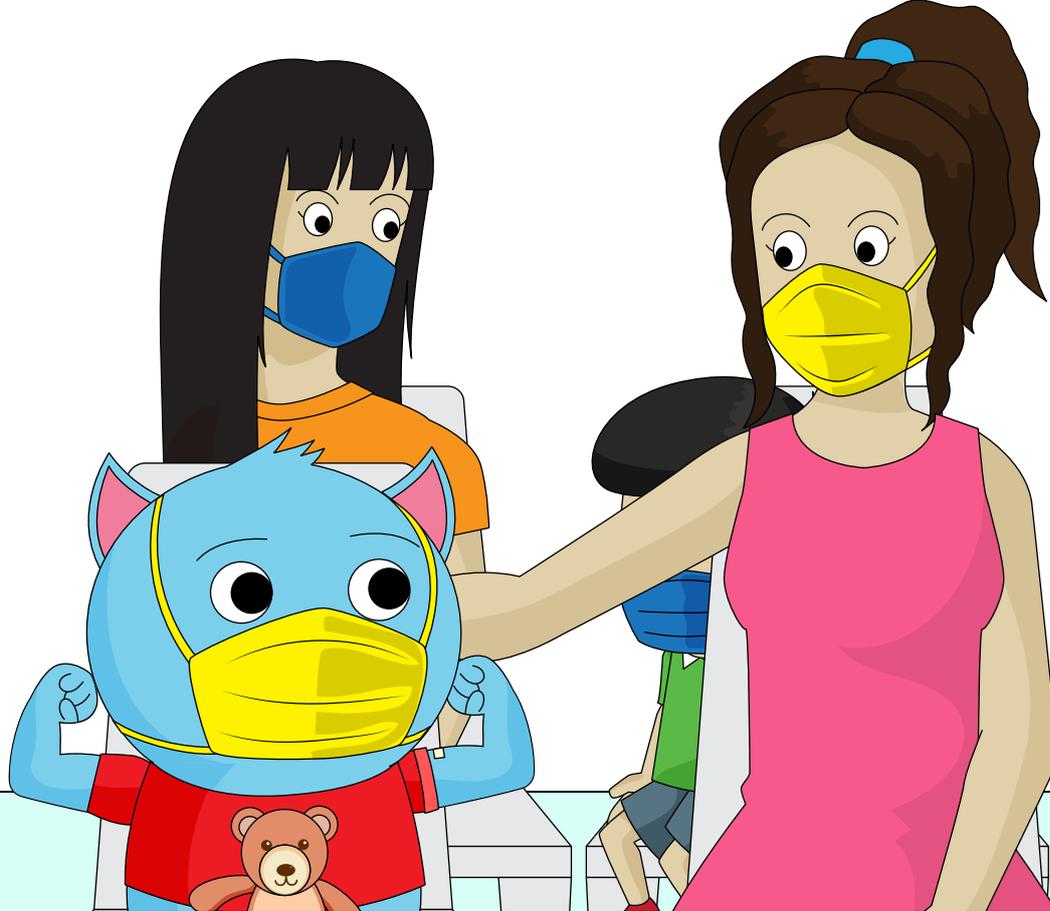

The nurse puts a plaster on my arm.

I wait for 30 minutes before going home.

At the vaccination centre I see my friends.  
Abby looks calm and Govind looks happy.

I feel brave for taking my vaccination.  
My mummy is proud of me.

I took my vaccination.  
Now it is your turn!
